Dear Sir / Madam,

The scope of NLCRAMDAD is to present the latest research and results of academicians, professors and also to the students related to Multi-Disciplinary academic topics. This conference provides opportunities in different areas where the, scholars and professors to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

□ The first aim of the conference is to provide opportunities for academics from a range of disciplines to share their research both through the conference podium and AERF's refereed publications.

□ The second aim of the Conference Series is to provide opportunities for academics to receive informal in-depth feedback through discussions and to enable them to establish contact with professionals in other countries and institutions. The organizing committee of conference is pleased to invite prospective authors to submit their original manuscripts to NLCRAMDAD -2016.
