Dear Sir/Madam,

The Scope of ICETCES-2017 is to present the latest research and results of academicians related to Pharmaceutical, Health Care, Environmental Sciences and Chemical Sciences. This conference provides platform for academicians to exchange new ideas to establish global partners for future collaborations.

Scope of the conference is to provide opportunities for academicians from a range of disciplines to share their research both through the conference podium and AERF's referred publications. Conferences provide opportunities for academicians to receive in-depth feedback through discussions. Enable them to establish contact with professionals in other countries and institutions. The organizing committee of conference is pleased to invite prospective authors to submit their original manuscripts to ICETCES-2017.
