

## About AERF

The Anveshana Educational and Research Foundation is committed to supporting strategic, whole-of-community approaches to education in order to make real, long term improvements in high school level to higher education level research outcomes to meet their educational potential. "To support world class research activities, and create an internationally competitive environment and innovation system in world." To build an internationally competitive research capacity for the economic and social development of the world it is intended that these research activities will enable to retain good scientists, to foster ideas and knowledge.

## Objective:

The Anveshana Educational and Research Foundation (AERF) sponsors "National Level Conference on Recent Trends in Literature, Journalism, Education, Social Sciences and Management Practices. The Conference intends to provide a platform to new innovative teaching techniques which inculcate new ideas in the minds of upcoming generations on these fields. It also provides a platform to share, exchange and discuss ideas on current trends in journalism, innovative teaching practices, Education methods in social sciences, innovative applications and practices in management.
