Dear Sir,

International Conference on Emerging Trends in Engineering applications and Basic Sciences (AICETBAB-2015), Hyderabad on 8th November 2015". The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share the cutting-edge development in the field. Anveshana Educational and Research Foundation is a non-profitable organization (AERF) that has always emphasized on quality assurance and authentication. AERF conducts technical conferences, seminars and workshops at different parts of country to reduce the gap between curriculum and practical implementation among the students. Our editorial board consists of highly qualified professionals to publish the research works of research scholars in leading journals with high reputation and a better impact factor.
