

THEME

The National Conference aids to fill in the gap between the approaches and deliverables in English literature. Literature engrosses interest in reading books and appreciation of art. Modern literary education is driving away from the traditional bunch of large size books to screenplays, song lyrics, and online communication through blogs etc. Literary artistic merits ever shade its fragrance in this view scholarly papers are welcome from Research scholars, Teachers, Academicians, and Practitioners Students.

About AERF:

AERF through its members, associates and collaborators is actively involved in research in many domains such as Engineering, Applied Sciences, and Management practices. AERF has projects from different Industrial and Educational organizations. AERF organizes multiple events like: Training, Faculty Development Programs, and Entrepreneur Development Programs, various Technical Workshops, Industrial visits, Research Programs, Projects, Publication, Conferences and Consultancy support. AERF was set up with a commitment to pursue research and to build capacities in Educational and Industrial research across the globe.

NATIONAL LEVEL CONFERENCE ON LITERARY PERSPECTIVES IN THE ARENA OF MODERN EDUCATION

English Literature ever since Geoffrey Chaucer to Modern Writings has witnessed varied perspectives. It tried to tap all the walks of lives and civilizations. Dramatic prose and poetic narrative tried to shape a great literary work. Connie Willis is credited to say literature "That's what literature is. It's the people who went before us, tapping out messages from the past, from beyond the grave, trying to tell us about life and death! Listen to them!" in this scenario the National Conference tries to retrace the varied perspectives by the scholarly teaching and learning with respect to the modern education. The National Conference aids to fill in the gap between the approaches and deliverables in English literature. Literary artistic merits ever shade its fragrance in this view scholarly papers are welcomed from research scholars, teachers and students.
