IN ASSOCIATION WITH

ABOUT AERF

Anveshana Educational and Research Foundation (AERF) is devoted to the dissemination of Scientific, Management and Technological information around the world and makes all efforts towards achieving this goal. AERF encourages new ideas or new perspectives on existing research.

ABOUT OUCIP

The vision of Osmania University Centre for International programmes (OUCIP) is to evolve into a Centre of Excellence that promotes innovative thinking in different fields of knowledge within and beyond the University. To realize this vision OUCIP would endeavour to become a site for the generation, articulation and exchange of ideas that would foster academic collaborations leading to greater international understanding and goodwill

THEME OF THE CONFERENCE

The theme of this conference is to unite and gather the Scholars, Asst. and Associate Professors from Education and Literature domains, to share their opinions, experience of written articles and presentations which will help to understand each other in improving their oral, written and presentation.

A unique support and guidance from every individual will also help us to build the pillars and start practicing the policies, rules, regulations which helps to understand and build the standards in making "Anveshana Educational and Research Foundation" to reach the heights.
